

### **Revolutionizing Hotel Operations With Our High-Tech Solutions**

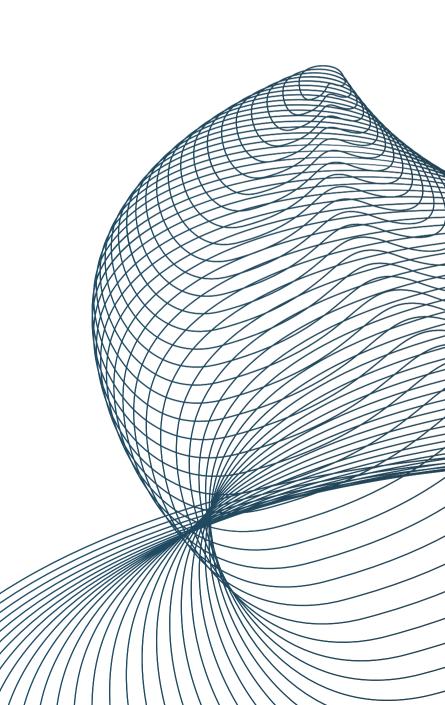

# **About Us**

As a hospitality tech company, we specialize in providing contactless digital solutions for customer interaction and conventional hotel operations.

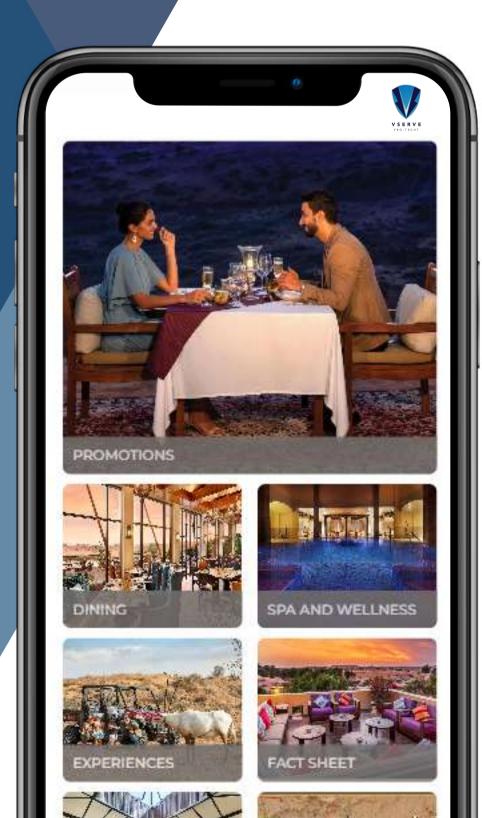

With our unique blend of talented ex-hoteliers and software engineers, we've worked with 200+ hotels from all around the world to create products that meet their specific needs.

Helping hotels worldwide, we're confident in our ability to continue pushing the boundaries of the hotel industry with cutting-edge technology.

# **Product Overview**

collateral while keeping brand guidelines intact Offering dining and spa reservation options with both transactional and view only interface Unique QR codes for each room as a verification layer for orders Providing the flexibility of adding multilingual content

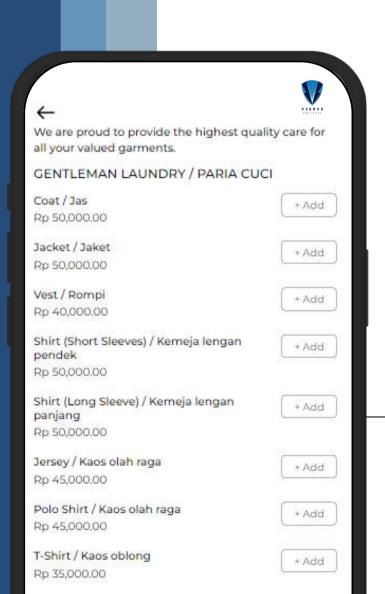

## Our single Web Platform replaces all in-room

#### Services Customization

Easily integrate all of your front desk and housekeeping services. These services can be tailored to meet the standards of your

#### **Exclusive Experiences & Offers**

Showcase all hotel services, local experiences, and exclusive deals. A smarter way to upsell amenities to your guests and enhance their experience.

## Room Dining Navigation Control

Multiple menus displayed in separate sections allow guests to quickly access their desired items and reduce ordering time.

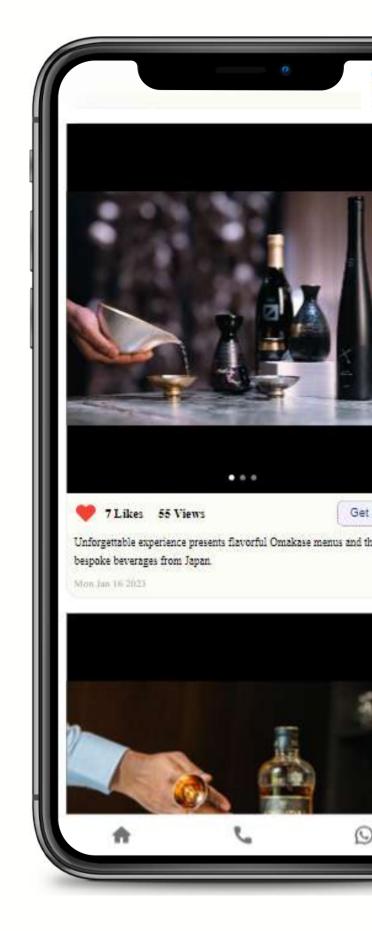

Display custom image and tags for menu items to promote unique products options while also ensuring legal compliance with age requirements and allergen disclaimers.

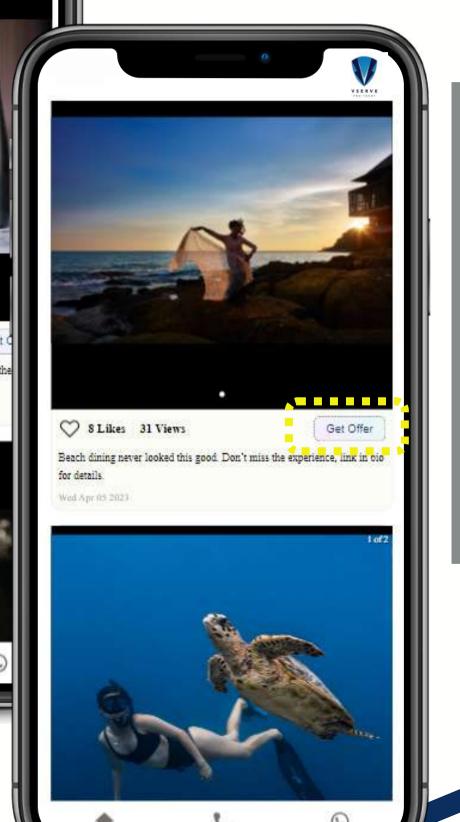

## Live Hotel Feeds

Introducing live hotel feeds where guests can avail real-time information, promotional offers, and activities happening in and around the hotel, such as concerts, festive events, etc. This can help guests plan their stay and make the most of their time in the premise.

A more engaging approach to **upsell** your services by offering guests a **personalized experience** - whether it's indulging in a luxurious spa treatment or booking a tee time on the golf course.
