INCREASE EFFICIENCY MAXIMIZE PROFITS

Grow Your Business With POS Functionality That Never Quits

Don't let your POS system get in the way of serving guests and reaching your revenue goals.

The dependability and capability of your POS system is paramount to creating and maintaining guest confidence. A dependable and feature-rich POS system gives you an edge against the competition, keeps transactions flowing, and ensures a seamless integration with your current back-office technologies without a large investment.

Agilysys InfoGenesis® POS is designed to serve guests more effectively while improving your profitability. Whether you choose SaaS or on-premise deployment, this flexible point-of-sale system is easy to set up and maintain, and its scalable architecture allows you to add workstations without having to build out expensive infrastructure. It integrates easily with a wide variety of other applications, including property management, inventory and procurement, self-service options, property activities and so much more.

Process transactions in your highest volume, most demanding business environments worldwide. And InfoGenesis POS provides industry-leading off-line capabilities so you can deliver uninterrupted guest service even during intermittent network connectivity.

IG Flex offers state-of-the-art POS mobility with the same functionality as a stationary terminal on a variety of tablet options. Get your hands on the industry's most dependable, full-featured mobile experience for any POS or restaurant service staff. Use InfoGenesis on a handy 6" tablet, 8" tablet or leverage the 10" version as a sleek terminal that easily converts into a mobile solution for line busting or temporary portable scenarios. No matter your choice, you get the full power of InfoGenesis POS in your waitstaff's hands so they can cover greater areas in less time, without ever losing touch with guests.
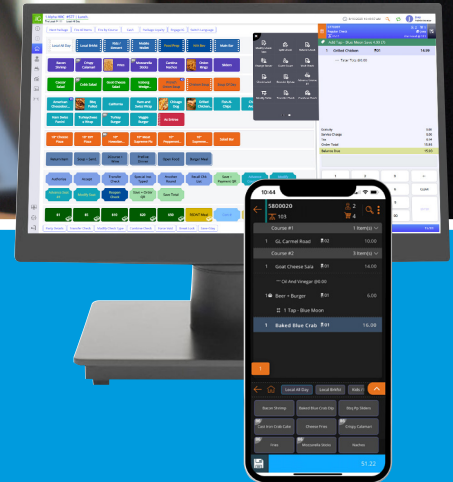

Streamline Your Operations
Item images on buttons make ordering fast and easy. Superior check management, along with consistent terminal configuration, pricing and screen setup, combine to provide exceptional guest service across your entire organization.

Secure Your Payment Processing
Agilysys Pay is an innovative solution to safeguard your guests' payment data. Reduce the risks, costs and compliance burdens with a payment solution that provides access to PCI-validated P2PE (point-to-point encryption) EMV with every transaction.

Agilysys InfoGenesis was awarded the Info-Tech Vendor Landscape Champion and Software Review Gold Medalist Awards.
