

End-to-End Event Management

Increase Event Revenue

Event management has come a long way from the binder-toting pros with reams of paper who seemed to have it all together. Technology advancements in sales, catering and event management are helping sales, conference and banquet teams work more efficiently by consolidating essential meeting data and automating even the most mundane tasks.

Easy-to-Use, Drag & Drop Interface

Screens are laid out in a logical, user-friendly format with drill-down capabilities, and folio management and room blocking are a snap with drag & drop.

- Intuitive meeting room scheduling
- Guest room and meeting room blocking
- Multiple room booking
- Schedule multi-day events
- Intuitive task planning and scheduling.

Real-Time Reporting

- Gain business insights using dashboards and reports
- Maximize sales revenues from group sales, conferences, and banqueting

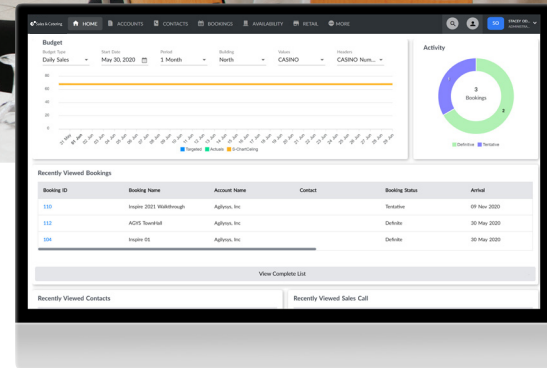

Seamless Sales Management

- Guest rooms, group services and functions can be managed from a single screen
- Yield management functionality to analyze booking pace

Centralize Catering Operations

- Quick event entry allows for last-minute changes
- BEO posting to support banquet staff, hotel operations & accounting
- Post InfoGenesis® checks directly to group masters
