

GDS Distribution

Your connection to the most valuable travelers

Aven Hospitality GDS Distribution is a powerful solution that supercharges your distribution strategy. With direct connections to Sabre, Amadeus, and Travelport, it places your property right in front of corporate buyers, travel agencies, and high-intent bookers. With seamless integration to the SynXis CRS and automated publishing tools, your rates, inventory, and content stay consistent and competitive everywhere.

“Aven Hospitality has always been a fabulous partner for our independent hotels. Their technology is superior and the connectivity to multiple partners is outstanding.”
