

TURN DATA INTO CONFIDENT DECISIONS

Hotel intelligence that thinks like you do

Static reports answer questions you already had. Juyo surfaces the ones you didn't think to ask and walks you from the signal to the cause to the decision.

SOLUTIONS · BUILT FOR EVERY TEAM THAT RUNS THE HOTEL

COMMERCIAL

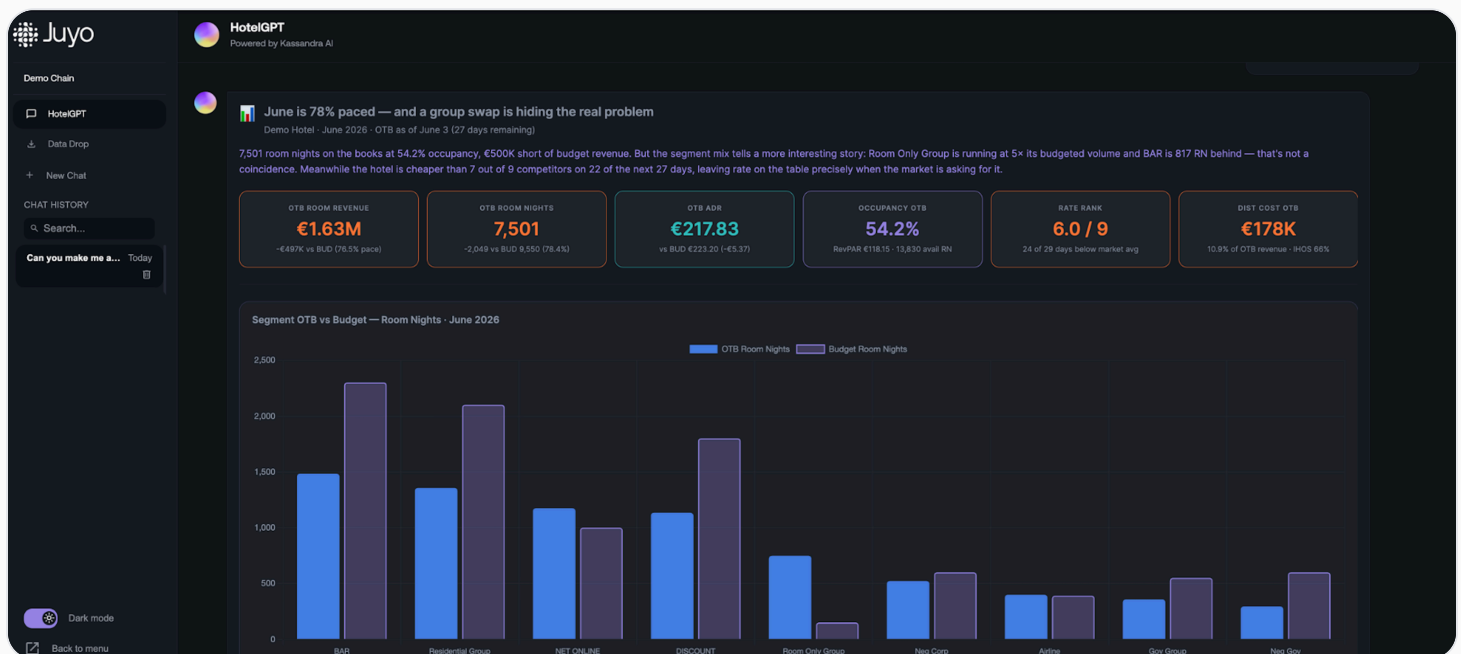

Pricing, pace and channel mix, answered as fast as you can ask.

FINANCE

Month-end, margin and forecast, reconciled and board-ready.

OPERATIONS

Labour, covers and demand, lined up so the floor runs on signal.

1,500+ hotels

already run on Juyo to understand their data

Your stack, connected

PMS, RMS, F&B and market data, no IT project required

EU-hosted · GDPR

Your data stays yours, never trains shared models

Bring your hotel's data to life.

Watch Commercial, Finance and Operations become one source of truth.

Or start with HotelGPT: ask your data anything, pay only for the questions you ask.
