

GroupSync™ Hotelier Solutions

Our solutions help you automate manual tasks, book more groups, and boost your bottom line. Hoteliers are experiencing an average 20% lift in lead conversions, 7x more RFPs and more on-peak rooms booked with GroupSync.

Online Group Booking

Increase group bookings online with Instant Booking or through our easier RFP process. Get more relevant proposals from planners – only GroupSync Marketplace gives them real-time rates and availability, and online booking for guest rooms and space.

Spotlight Your Hotel

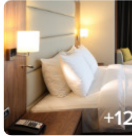

Become more visible to planners on GroupSync with Content Pro and showcase the photos and details that matter most for groups. With GroupSync Promotions, you can target incentives to planners searching and sourcing rooms and space in your market.

More Revenue Opportunities

Know more about your guests and create more upsell opportunities before they arrive with GroupSync Housing. And with GroupSync Gifting, our gift certificate and voucher program, you'll be able to sell more amenities and unique experiences online.

Instant Booking for rooms and space – with millions of dollars booked for hoteliers this year alone, join the #1 hotel marketplace for groups.
