Dear Opportunities
We are coming!

30% of revenue
= Other Revenues
BUT it lacks **Culture,**
Technology, People and
Processes

\$110bn*

Huge opportunity. That's what it's all about!

WE ARE SUPPORTING THE HOTEL INDUSTRY TO OPTIMIZE OTHER REVENUE STREAMS

...STARTING WITH F&B

Four main Other Revenues areas identified to focus:

Opportunities breakdown:

F&B

Smart menus and dynamic pricing

Dynamic breakfast

F&B Forecast

Room Stays

Room Service Optimization

Upselling Strategy Automation

MICE

Meeting Space Optimization

F&B Banqueting pricing automation

M&E Forecast

Other Services

Today DynamEat applies Artificial Intelligence to adapt restaurants pricing & digital menus in 3 simple steps

1

Forecast

2

Pricing

3

Menu

HOW DO WE DO IT?

1

Integration with POS/PMS for automatic price update and sales data collecting

2

Platform for daily **dynamic pricing management** and **smart menus**

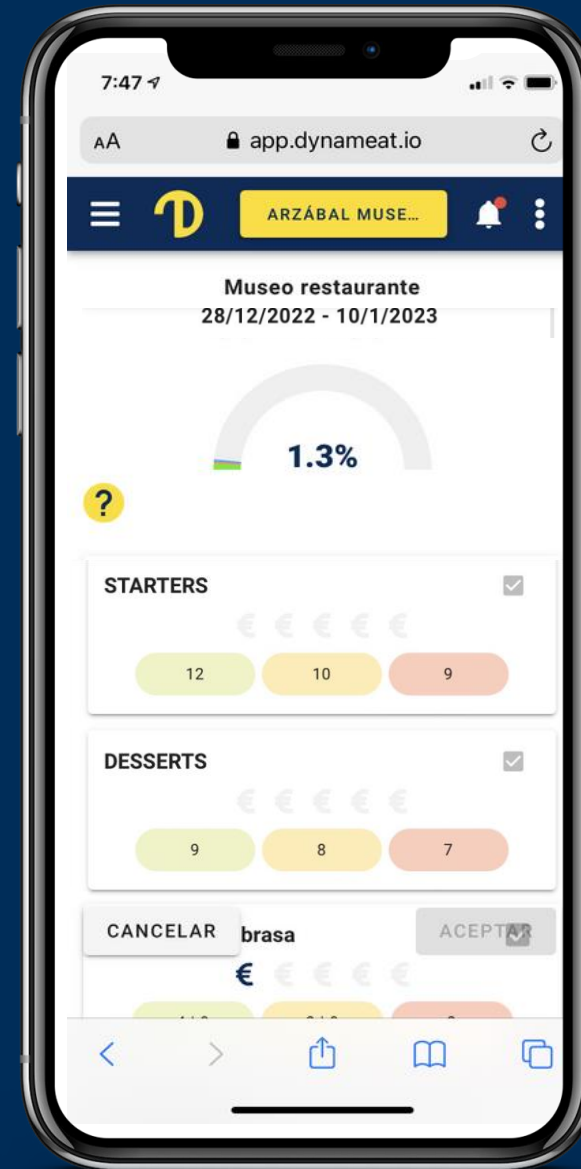

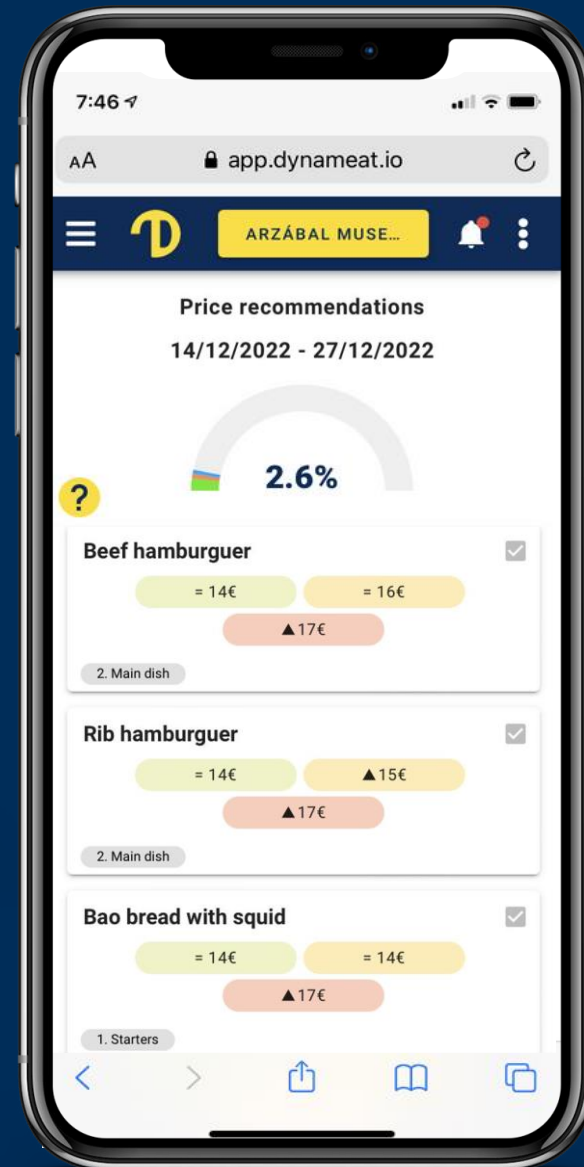

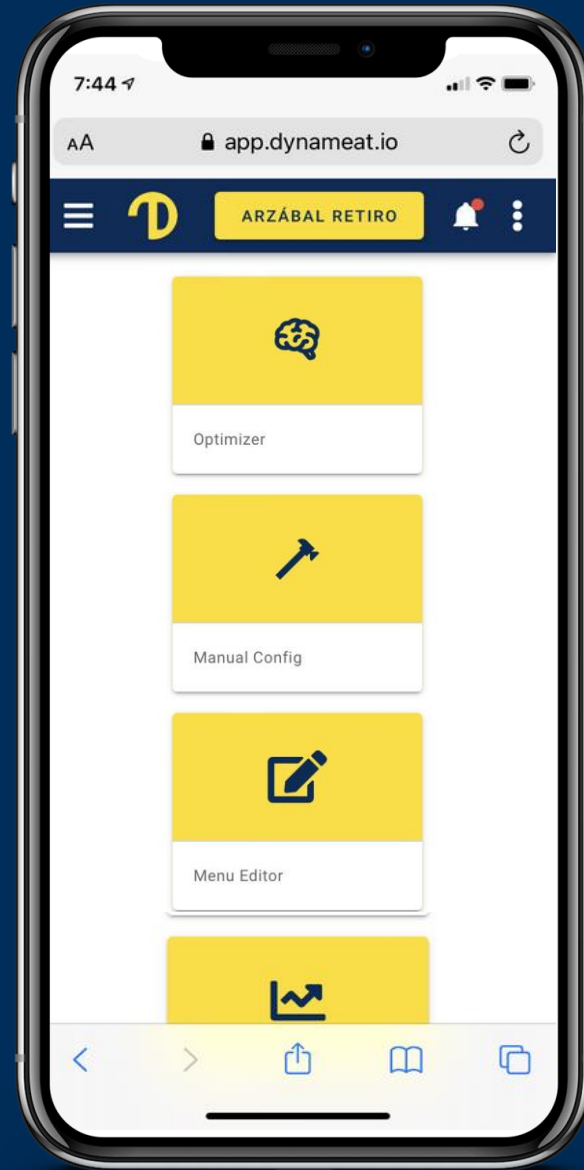

3

Identification of the strategy pricing based on several parameters

- Forecast occupancy
- Forecast demand of each dish
- Speed
- Contribution margin
- Demand elasticity

What our customers and industry leaders think about DynamEat

Gianni Di Fede

Senior Vice President RM, BI & Distribution
Radisson Hotel Group

“Being able to control and centralize our F&B pricing thanks to a platform like DynamEat is a very important leap for us”

Fernando Vives

Chief Commercial Officer
NH Hotel Group

“I believe that it is the right time for Dynamic Pricing for restaurants because the customer is ready.”
