## A WHITE-LABEL, NO-DOWNLOAD GUEST APP THAT ALLOWS YOU TO:

1

### IMPROVE OPERATIONAL EFFICIENCY AND ENHANCE THE GUEST EXPERIENCE

-  **Online Check-in**  
Offer an online in-brand check-in experience
-  **Legal Compliance**  
Automatically send guest registration slips to local authorities
-  **Tourist Taxes**  
Automatically calculate the tourist rates for any property worldwide
-  **Guest Communications**  
Send automated emails at key points of the guest journey
-  **Self-check-in & Remote Access**  
Enable autonomous property access after online check-in
-  **Onsite Check-in**  
Complete check-ins within seconds by scanning guest IDs

2

### PROTECT YOUR BUSINESS WHILE MEETING LEGAL REQUIREMENTS

-  **Identity Verification**  
Verify the guest identity through biometric match technology
-  **Damage Protection**  
Include online deposit payment as an additional step of the check-in process

3

### INCREASE DIRECT REVENUE

-  **Upsells & Experiences**  
Promote your add-ons to boost revenue with every reservation
-  **Payments**  
Automate and centralize guest payments, all in a secure platform

Trusted by 80,000+ properties worldwide
