

MORE THAN JUST FOR CHATTING

Do You Know What Your Guests Think About Their Booking Experience?

Booking should be easy, intuitive, and frictionless to optimize conversion. But often, key information is missing for guests to complete their booking. When asking about the booking experience, these were the responses one hotel received on their post-stay survey:

It might be time to consider automated guest communication:

- Automate +80% of your guest queries with a hospitality-specialized chatbot, trained to respond to +400 FAQs.
- Turn lookers into bookers by offering instant responses to your guests' booking queries.
